

DRIES HANDS IN UNDER 10 SECONDS!

BlueDry - BD88

NO DRIPS

Water blown from the hands is collected into a unique collection tray at the bottom of the dryer, where it is stored in an easy to empty reservoir.

COMPACT

This dryer is ideal for use in areas where you would like a 'hands in' style dryer but don't have the room.

HYGIENIC

A high grade antibacterial filter ensures clean air is used to dry your hands & the antibacterial coating to help keep the surfaces hygienic & bacteria free.

BLUE LED

A blue LED light guides the user to the airflow and adds a cool modern touch.

BD88 Technical Specifications

DRIES HANDS IN UNDER 10 SECONDS!

POLISHED STAINLESS

BlueDry - BD1015

HEAT CONTROL

This BlueDry hand dryer gives you the option to have the heater element turned on or off. This is ideal for when the ambient air temperature is low and you want the comfort of warm air. When the heater is not needed, it can be switched off to save even more energy and money.

HYGIENIC

A high grade antibacterial filter ensures clean air is used to dry your hands.

BLUE LED

A blue LED light guides the user to the airflow and adds a cool modern touch.
